

Online Student Membership Enrollment

Teamwork has been a key factor when it comes to running a successful fall drive membership campaign. We would like all Chapter Advisors and Membership Vice Presidents to encourage students to join online. Copy this section and share it with everyone on your fall drive team.

Member Online Join Process

Below are the instructions to help students with the online enrollment process. If **Chapter Advisors or Membership Vice-Presidents** have any questions about the online join process, please contact LaToya Coles at lwilson@aphanet.org.

The online enrollment processes are available at www.pharmacist.com and start with creating a registration form (for those that don't have an APhA account) and then completing the join or renewal form. Final year student pharmacists only have the option of the two-year Transitioning Membership. (See page 14 for more details.)

- **Step 1:** Visit the APhA website Pharmacist.com, select “Membership” and “Join APhA”.

The screenshot shows the APhA website homepage. The navigation bar includes 'Login', 'Join or Renew', and a search bar. The 'Membership' menu is open, showing options: 'Join', 'Join APhA-ASP', 'Renew Your APhA Membership', 'About APhA', and 'Members Only Discounts'. The main banner features a smiling pharmacist and the text 'APhA...ing advocate for the...y profession'. Below the banner, there are news articles and an 'APhA Highlights' section. A large section titled 'Student Pharmacists Join APhA-ASP Today!' features a photo of a diverse group of student pharmacists holding signs that say 'KNOW YOUR PHARMACIST', 'LET US REPRESENT YOU!', and 'SNPhA'. Below the photo, there is a paragraph of text and a blue 'JOIN NOW' button with a right-pointing arrow, which is circled in red. At the bottom of the page, there is a partial sentence: '*APhA represents the unified voice of all pharmacists, and that voice is important to me'.

- **Step 2:** Complete the required information and select “Next” to continue.
