

Being a member of APhA has kept me energized enough to grow both personally and professionally as I have advanced through my career...I am certain that my pharmacy journey would not have been as plentiful, and fulfilling had I not become a member of APhA.

It is through my membership in APhA that I have been able to engage in many opportunities that allowed me to hone my leadership skills, network with pharmacy giants both locally and nationally, and most importantly, it has given me endless opportunities to serve the community.
